Human Resource Manager
Nightingale E.A,

P.O BOX 13831-00800

Nairobi, Kenya.

Dear Madam,

RE: Application for Internship Position

I am writing to express my interest in the internship opportunity at your esteemed organization. I recently completed my Bachelor of Science in Information Technology at Kabarak University and am currently awaiting graduation in December 2025. With a strong interest in network systems and fibre optics technology, I am eager to apply my academic knowledge and hands-on experience in a practical environment.

During my industrial attachment at Nightingale East Africa, I actively participated in fibre optics maintenance, where I developed valuable skills in troubleshooting and repairing fibre optic cables, as well as working within live network environments. This opportunity strengthened my problem-solving abilities and nurtured a keen interest in network infrastructure and IT support services.

I am a highly motivated and results-oriented individual, committed to continuous learning and professional growth. I believe that an internship with your organization would not only allow me to contribute to your projects but also enhance my career development within the ICT field.

I would appreciate the opportunity to further discuss how I can be of value to your team. Thank you for considering my application, and I look forward to the possibility of an interview.

Yours faithfully,

Vincent Kipkurui
